

Fourth and Washington Structure

Location: 123 East Washington Street
On the North West corner of Fourth Avenue and Washington Street.

Interesting Facts: This facility was opened November 1999, which makes it the second newest structure in our system. The City Commission on Art in Public Places held a design competition, and subsequently commissioned three pieces of public art to adorn the deck.

Size of Structure: 282 parking spaces, including 7 handicap-accessible spaces (height restriction 6'6")

Rates: Hourly parking is available from Monday through Saturday, \$0.80 per hour. Free parking on Sundays and holidays.

Permit Availability: This structure provides only hourly parking, and does not provide monthly permit parking.
