

Maynard Structure

Location: 324 Maynard Street

On Maynard Street between E. William and E. Liberty, with an additional entrance off Thompson between E. Liberty and E. William.

Interesting Facts: The deck underwent an extensive, \$9 million repair project in 1999 which included concrete slab replacements and new electrical and lighting systems. The project also included a number of enhancement elements, including the installation of a second speed ramp, new stairwell, new police office, new elevator and wayfinding system. The structure was originally constructed in 1954, and expanded in 1963. The structure houses the DDA's parking operator office on the first floor.

Size of Structure: 797 parking spaces, including 14 handicap-accessible spaces (height restriction 6'8")

Parking Rates: \$125/month for permit parking. Premium monthly permits are available for \$175/month. Hourly parking at \$0.80/hour Monday through Saturday. Free parking on Sundays and holidays.
