Easy Pay

**A new payment option at
our 4th & Washington,
Liberty Square and Library
Lane structures brought to
you by the Ann Arbor
Downtown Development
Authority**

*A convenient new way to pay for
parking!*

WHAT IS EASY PAY?

Equipment has been installed at the **4th & Washington, Liberty Square and Library Lane** parking structures allowing use of a pre-paid proximity card. This card provides quick and easy entry and exit. Funds are deducted from your card at the standard hourly rate.

Parking is still first come, first serve and the Easy Pay Card does not guarantee a parking space.

Advantages of using this card:

- Quicker entry and exit versus using a credit card or paying cash at the pay machines.
- Fewer credit card transactions.

WHERE CAN AN EASY PAY CARD BE PURCHASED?

The Easy Pay Card can be purchased from Republic Parking at 324 Maynard Street in Ann Arbor. At the time of purchase you will be charged for the amount you want on the card up to \$300.00 plus a \$10 set up fee.

HOW TO USE AN EASY PAY CARD

- When entering the parking structure hold your Easy Pay Card to the reader located in the entrance lanes. (see image below)

- Your Easy Pay Card will be read, the LED screen will flash as the gate lifts, and the account name and current value of the card will be displayed.
- You will not receive a paper receipt.

- When exiting, drive to any exit lane and hold your Easy Pay Card to the reader. The LED screen will flash as the gate lifts and the parking fee and remaining value on the card will be displayed.

This card is valid at the 4th & Washington, Liberty Square and Library Lane structures only. It may not be used at any other public parking facility.
