

**ADDENDUM #1  
TO THE CONSTRUCTION DOCUMENTS FOR  
ANN ARBOR DDA PARKING STRUCTURES RESTORATION 2019  
Project # 2019-523**

**May 20, 2019**

---

This Addendum shall be considered part of the construction documents for the above mentioned project as though it had been issued at the same time and shall be incorporated integrally therewith. Where provisions of this Addendum differ from those of the original construction documents, this Addendum shall govern and take precedence.

Bidders are hereby notified that they shall make any necessary adjustments in their estimates as a result of this Addendum. It will be construed that each bidder's proposal is submitted with full knowledge of all modifications and supplemental data specified herein.

1. Responses to Questions by Bidders:

- A. Question #1: Can you clarify what needs to be submitted and when regarding the pre-qualification requirements?

Response #1: Bidders have the option to submit qualifications prior to submitting a bid, but there is no requirement to submit pre-qualifications.

According to Specification Section 001116, paragraph 1.6.C, bidders shall be prepared to submit within three (3) business days of the bid due day written evidence that they meet all the qualifications established in the Contract Documents.

2. Project Manual, Bid Form:

- A. Replace the Bid Form with the new Bid Form attached to this Addendum. The following is a summary of the changes:
1. The Work Item Description for Work Item 3C was changed from "Floor Repair" to "Floor Repair – Partial Depth"
  2. Work Item 21C, Floor Repair – Full Depth was added.
