The following costs are being charged in compliance with Section 4 of the Michigan Freedom of Information Act, MCL 15.234, according to the DDA's FOIA Policies and Guidelines.

1. Labor Cost for Copying / Duplication

This shall not be more than the hourly wage of the DDA's lowest-paid employee capable of necessary duplication or publication in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in 5-minute time increments as set by the DDA; all partial time increments will be rounded down. If the number of minutes is less than one increment, there is no charge.

Hourly Wage: \$24.52

Benefit Multiplier: 59%

Hourly Wage with Fringe Benefit Cost: \$38.99

Charge per increment: \$3.25

2. Labor Cost to Locate:

This is the cost of labor directly associated with the necessary searching for, locating, and examining public records in conjunction with receiving and fulfilling a granted written request. **This fee is being charged because failure to do so will result in unreasonably high costs to the DDA that are excessive and beyond the normal or usual amount for those services compared to the DDA's usual FOIA requests, because of the nature of the request in this particular instance, specifically:** _____

The DDA will not charge more than the hourly wage of its lowest-paid employee capable of searching for, locating, and examining the public records in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in 15-minute time increments; all partial time increments will be rounded down. If the number of minutes is less than 15, there is no charge.

After a DDA has granted and fulfilled a written request from an individual under this act, if the DDA has not been paid in full the total amount of fees for the copies of public records that the DDA made available to the individual as a result of that written request, **the DDA may require an increased estimated fee deposit of up to 100% of the estimated fee before it begins a full public record search** for any subsequent written request from that individual if **ALL** of the following apply:

- (a) The final fee for the prior written request was not more than 105% of the estimated fee.
- (b) The public records made available contained the information being sought in the prior written request and are still in the DDA's possession.
- (c) The public records were made available to the individual, subject to payment, within the best effort estimated time frame given for the previous request.
- (d) Ninety (90) days have passed since the DDA notified the individual in writing that the public records were available for pickup or mailing.

- (f) The DDA calculates a detailed itemization, as required under MCL 15.234, that is the basis for the current written request's increased estimated fee deposit.

A DDA can no longer require an increased estimated fee deposit from an individual if **ANY** of the following apply:

- (a) The individual is able to show proof of prior payment in full to the DDA, **OR**
- (b) The DDA is subsequently paid in full for the applicable prior written request, **OR**
